

Terms of Use

Effective: 9 May 2026

Welcome to TRUSSFALL. These terms apply when you install or use the TRUSSFALL app for iOS. They are short, plainly written, and worth reading once.

01 / THE LICENSE YOU GET

TRUSSFALL is licensed (not sold) to you for personal, non-commercial use on Apple devices you own or control. Your use is governed by Apple's standard End User License Agreement (which applies to all App Store apps) together with these supplementary terms. Where the two conflict, Apple's terms prevail.

02 / IN-APP PURCHASES

TRUSSFALL is free to download. Optional in-app purchases are:

- **Lifetime Unlock** — \$4.99, one-time, non-consumable. Unlocks all bridge templates, unlimited hints, and ad-free play forever, including future updates.
- **Hint Packs** — \$0.99 (5 hints) and \$2.99 (25 hints), consumable. Hints are consumed when used and cannot be restored once spent.

All purchases are processed by Apple and governed by Apple's terms. Refund requests must be submitted to Apple via reportaproblem.apple.com — we have no ability to issue refunds directly.

03 / WHAT YOU MAY NOT DO

You may not reverse-engineer, decompile, or extract the source code or assets of TRUSSFALL. You may not modify the app to bypass paywalls, hint counters, or other entitlement checks. You may not redistribute the app or sell modified versions.

04 / INTELLECTUAL PROPERTY

TRUSSFALL — including its name, design, code, level data, and engineering simulator — is owned by Ciprian Alexandru Frasinescu. The "TRUSSFALL" wordmark is a trademark in use.

05 / AS-IS, NO WARRANTY

TRUSSFALL is provided "as is." We work hard on engineering correctness and stability, but we do not guarantee the app is free of bugs, that every level is solvable in every way you might want, or that the simulation reflects real-world structural behavior. TRUSSFALL is for fun and learning. **Do not use it to design real bridges.**

06 / LIMITATION OF LIABILITY

To the maximum extent permitted by applicable law, our total liability for any claim arising out of or relating to TRUSSFALL is limited to the amount you have paid for the app and its in-app purchases in the 12 months preceding the claim. Nothing in these terms limits liability that cannot be limited by law (such as for gross negligence or willful misconduct).

07 / TERMINATION

You may stop using TRUSSFALL at any time by deleting the app. We reserve the right to discontinue the app, withdraw it from the App Store, or refuse service to users who violate these terms.

08 / GOVERNING LAW

These terms are governed by French law. Any dispute will be resolved by the competent courts of Saint-Raphaël, France, except where mandatory consumer-protection laws of your country of residence provide otherwise.

09 / CHANGES

If we update these terms, we will change the "Effective" date at the top and post the new version at trussfall.com/terms. Continued use of the app after changes constitutes acceptance.
